

# Valve Manufacturers Association

## Media Kit 2026

### About

VMA serves the growth and innovation of the US and Canadian industrial valve industry globally by providing the central forum to enhance a positive business operating environment, increase knowledge and collaboration, advance technology innovations, and facilitate business and government connections. We are a trusted source of information for manufacturers, distributors, service providers, repair companies and end users of industrial valves, actuators and controls.

### Why Advertise with Valve?

We Reach the Right People at the Right Time, in the Right Way.
